

MEET THE TEAM

Eric Nelson

I was born in Pittsburgh, PA, and moved to Florida in 1986. I started my professional career as a leader at the Walt Disney Resort where I worked for 10 years, but it was always my dream to be in real estate. I moved into the real estate arena in 2010, holding several roles to include, Real Estate Broker, COO of a large franchise brokerage, VP of Commercial Sales, Director of Relocation, and Director of Sales, as well as holding several designations including MRP, CRP, CRB, CRS, and GRI.

My passion and expertise have been in coaching and developing real estate brokerages and agents to set and exceed goals. Additionally, I have also been awarded the Cartus Broker Network Platinum award for seven consecutive years.
